Additional Information

Annual TBP membership is **USD 75**. For a member, any contribution in a calendar year above this will automatically benefit projects or go to general funds. For other donors, entire amount will be attributed to indicated projects (default ESP) or general TBP funds. We suggest a minimum yearly donation of \$250, in light of our ambitious India-wide ESP goals; however all contributions are gratefully welcome. Please send this form along with your check payment to the address above.

Contributions made to TBP are generally tax deductible in United States. Please check with your accountant for applicable federal and state laws that may affect your individual case.

Electronic Submission and Payment

TBP encourages paperless processes through use of electronic channels. You can visit our website www.bostonpledge.org and pay your donation online using a credit card or Paypal account. You will see the Donation link on the homepage of TBP. One benefit of this approach is that you automatically get an immediate receipt for your contribution via email from Paypal, which could serve for your tax records. Should you prefer this method, please email this form (completed) separately to one of the following individuals:

1. Chitro Neogy, chitro@mit.edu (tel: 508.740.7847)
2. Santanu Sengupta, santanus@hotmail.com (781.985.4321)
3. Partha Ghosh, parthasg@aol.com (617.512.3038)
4. Inder Monga inder@yahoo.com (781.820.4198)

Thanks for joining The Boston Pledge in empowering the powerless towards a sustainable planet. Please feel free to forward this form to any other friends who may wish to assist in the ESP revolution.
