

# Rekindling the Renaissance spirit in the Global Mind: *A Movement You want to Move?*

The Boston Pledge

December 3<sup>rd</sup> 2005

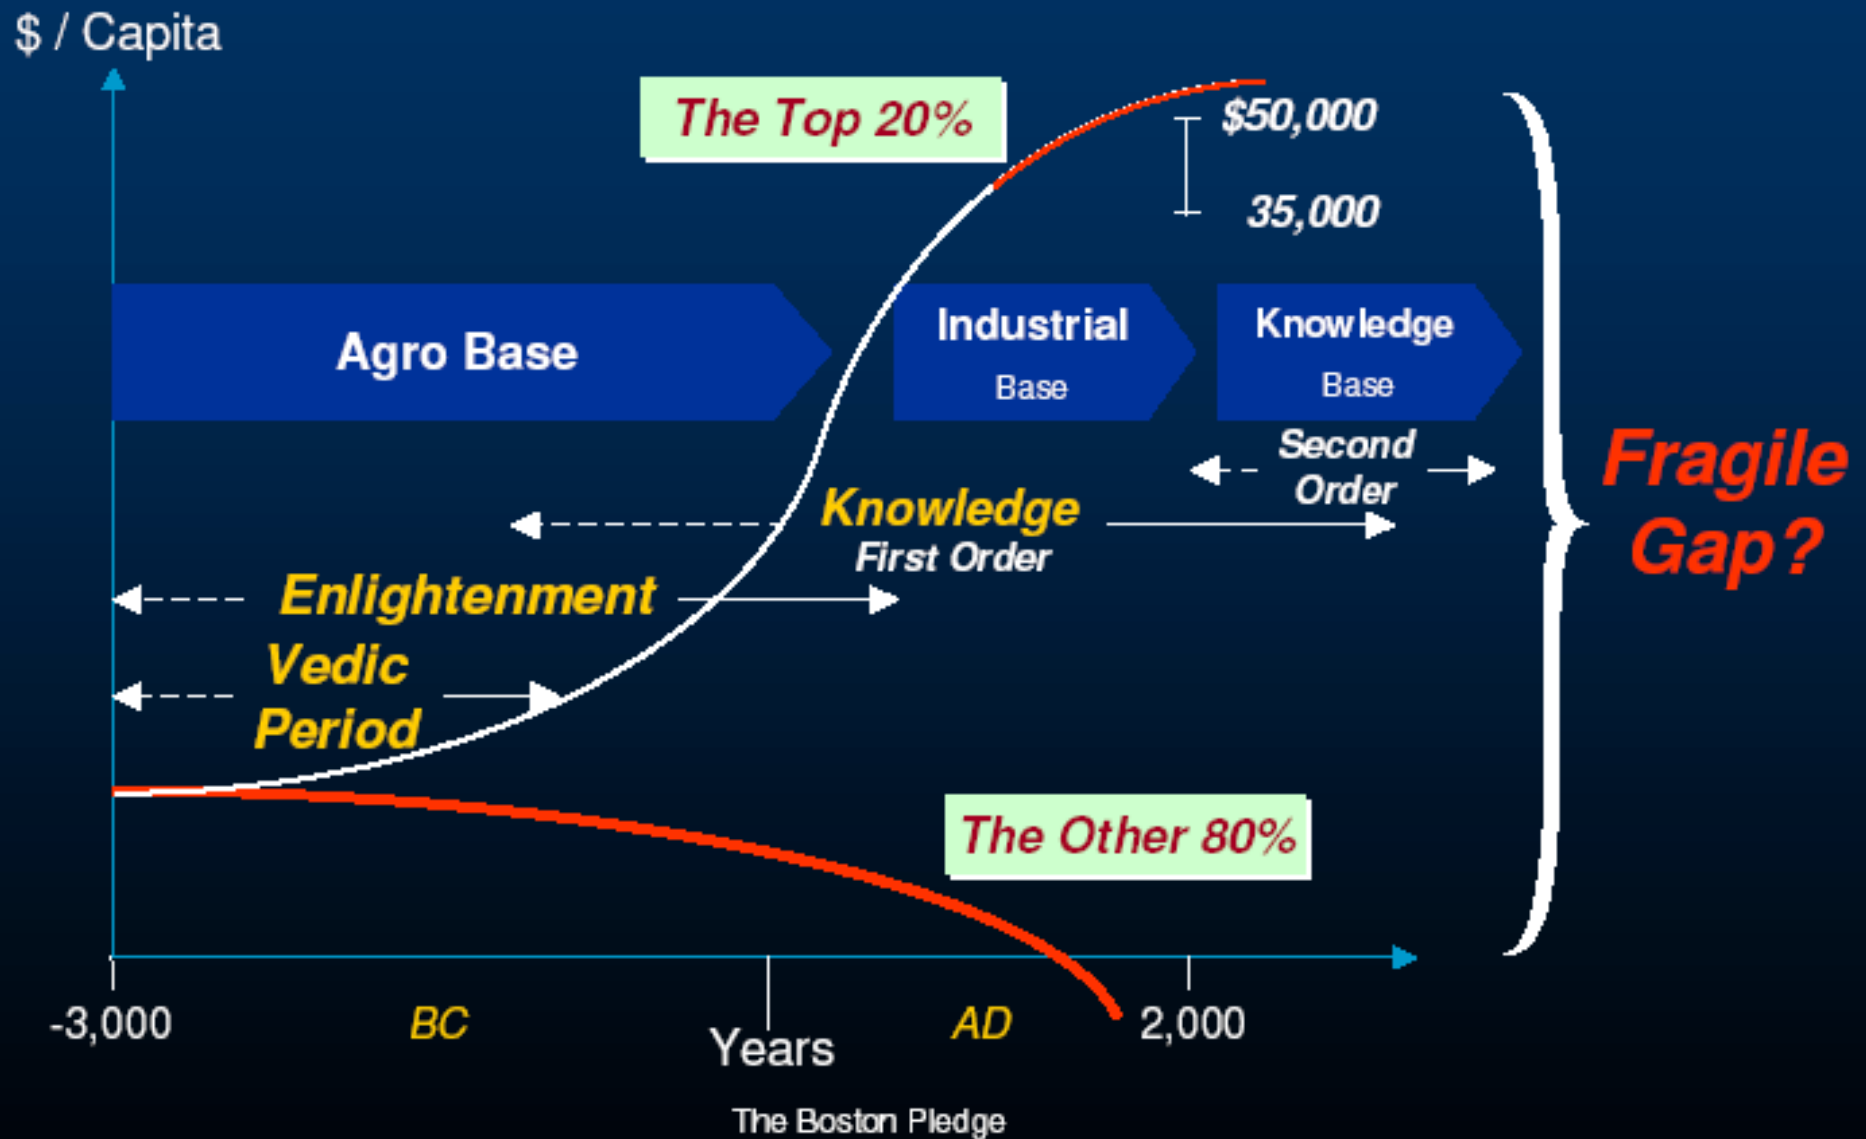

## **Three Brief Points**

- 1. The World of Unintended Consequences**
- 2. Creating a Force to Deal with the Dynamics of Heightened Contradictions**
- 3. Enjoying the Process of Realignment of the Divine Instincts**

# 5,000 Years of Progress? *The Paradoxes*

## Unintended Consequences . . .

- Close to **one billion** people suffer from **chronic hunger**
- **2 out of 10 live** with less than **\$1/day** (~1 billion people)
- **4 out of 10** live with less than \$2/day (~2 billion people)
- **1 to 1.5 billion** people have **no** access to water
- **Half a billion illiterate** in the **subcontinent**

## Guiding Our Own Capital Towards Enlightenment

Emotional  
Capital

Intellectual  
Capital

Spiritual  
Capital

- Towards realizing the **Divine Power** within
- Creating the movement towards a **Sustainable Planet**

A vibrant sunset over a body of water. The sun is a bright yellow-orange circle just above the horizon, casting a reflection on the water. The sky is a deep, fiery red, and the water below is a darker, shimmering red. The overall mood is serene and powerful.

*"My we have the Opportunity to  
Empower the Powerless"*

*"With Divine within and Egos outside  
Possibilities are limitless"*

# The Boston Pledge: The Fundamentals

*The Purpose*

A Professional, Non-Profit,  
Non-Political Global Organization
